ACS Safety Statement

August Construction Solutions is committed to the health, safety and wellbeing of our employees, subcontractors, clients and the communities in which we live and work. The prevention of incidents and the protection of our environment is a priority, and we are continually assessing our safety program to protect our people, clients and communities.

August Construction Solutions is committed to the following:

- Compliance with applicable laws and governing regulations is a requirement.
- Adherence to sound environmental, health and safety standards is a condition of employment.
- Provide training to our employees to better educate how to comply with our safety policies, as well as to promote a culture of continuous improvement and commitment to safety and training.
- Regularly review and evaluate safety practices and protocols to assure that they are effective and up to date.
- Require employees to immediately report any health, safety and environmental hazards, accidents and near miss incidents to their supervisors or management and to conduct an investigation if warranted.
